Barbara reviewed the information provided in the Fellowship Service Manual and recommended the use of it. The manual can be reviewed at www.coda.org/serviceman and will also provide information and descriptions of all the CSC Committees' functions which can be found in Section 10 of the manual. There is also a new task force formed to improve communication throughout the levels of CoDA which is looking for volunteers. H & I and Outreach are seeking additional volunteers and aid. Plans are underway for the CoDA Convention to be held in Seattle, WA from July 2-5, 2009. The theme will be Independent and Free. A proposal has been submitted by Arizona CoDA to add a list of "Exaggerated Sense of Self-Worth Patterns" to the list of Patterns and Characteristics. Arizona is asking for feedback from meetings on these patterns. The Translation Mgmt. Committee is looking for new members. The Core-Board needs one more alternate member to help with publishing. The proposed changes to Tradition 3, the Preamble and the Welcome were not brought back to the table so they are no longer open issues. The Texas Group Conscious issue has been sent to the Service Structure Committee. The CoDA seal can only be altered outside the perimeter. The Literature Committee is looking into restoring pages that were removed from the CoDA Book. As for questions over the use of non-CoDA approved literature, there are no real restrictions on the use of it. The Step 4 Workbook has been re-vamped and the Literature Committee is working on a new project of gathering more stories for a new Story Book. Also, the Affirmation booklet is being revised. The question was raised regarding a review of the state of CoDA in general and what actions can be done to improve and spread the message.
